JACKSON TRUSTEES ORGANIZE FOR 2022

(Left to Right):
Randy Gonzalez, Fiscal Officer/Economic Development Director,
Todd J. Hawke, Chairman, Jim Thomas, Vice Chairman,
and John E. Pizzino, Trustee.

The Jackson Township Trustees have organized the Board for 2022, electing Todd J. Hawke as Chairman and Jim Thomas as Vice Chairman.

Board of Trustees Meetings

Meetings are the second and fourth Tuesday of each month. Executive session and/or work session at 4:00 pm, with the general session at 5:00 pm.

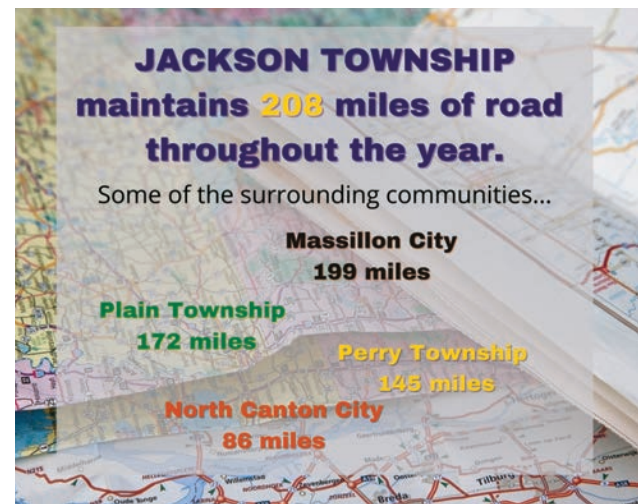

A Combined Effort for Snow and Ice Control

Each winter, our Highway Division prepares to keep our township roads safe. This has been a work in progress and is altered each season with new roads being taken over due to the new developments added. This year alone, the Township has added an additional 1.492 miles, bringing the total to 207.724 miles maintained by the Township. Jackson Township ranks second in miles for townships within the state of Ohio, only behind West Chester Township's 225 miles maintained.

The Highway Division is not the only division within the Public Works Department that addresses the snow and ice that impede our daily travels during weather related events. The Central Maintenance and Parks and Recreation Divisions assist in snow operations, as well. Jackson Township has the ability to place 28 vehicles into service when a snow and ice event occurs. Our fleet consists of 19 large salt trucks, three one-ton dump trucks, three maintenance pickup trucks, and three Parks and Recreation pickup trucks.

During an average storm event the Township is separated into sixteen different routes that include our main roads and allotments. Each route is assigned

to one of our fifteen full-time Highway Division staff and three full-time Parks and Recreation Division staff. We also have one or two staff members who help keep our mains open and assist with any issues that may arise.

Our Central Maintenance Division, which consists of a superintendent, three mechanics, three building maintenance personnel and one laborer address the Safety Center (Police and Fire Station 1), and the four outlying Fire Stations, Township Hall and the Public Works Maintenance Facility. The Central Maintenance employees are also responsible for repair and maintenance on any of the plow trucks that break down and ensure we can place them back in service as quickly as possible.

The remainder of the Parks and Recreation Division employees take care of the walking path, along with the four parking lots in North Park, the four parking lots and the ring road in South Park, Fisher Park and Stuhldreher Park. However, these additional employees within the Parks and Recreation Division assist our Highway Division during large events with the plowing of cul-de-sacs and smaller sections of roadways.

In all, each of the routes average two and a half hours to salt and five to six hours to salt and plow. During these larger events we have experienced this season, our staff continues to battle the

elements between our neighborhoods and our main roads within their routes. As the snow continues to fall, they may be required to leave the neighborhoods to ensure the main thoroughfares are open.

The importance of keeping the “mains” open is not only for our residents’ travel, but to ensure our safety forces can reach an emergency safely. During larger storm events, all of our departments are in constant communication with one another to ensure the safety of our residents is a top priority.

Jackson Township Fire Department News

Tim Berczik, Fire Chief

Tim Berczik, Fire Chief

The year we would prefer to forget! To some degree, the COVID-19 pandemic affected everyone in 2021. The members of the Jackson Township Fire Department (JTFD) were no exception.

In fact, this has been the most stressful time, both physically and mentally, that I can recall throughout my fire service career. Due to the extent of the virus, the emergency response system became overwhelmed and stayed that way for extended periods of time. Yet, our members came to work every shift. Unfortunately, even with all of the personal protective equipment

and vaccinations, many became ill themselves. Just like the rest of the community, some took it home to other family members. Together, we are surviving; we look forward to moving forward. We are excited to be moving into a new year.

*Fire Chief Tim Berczik

Who knows our Jackson Community
better than a long-time resident?

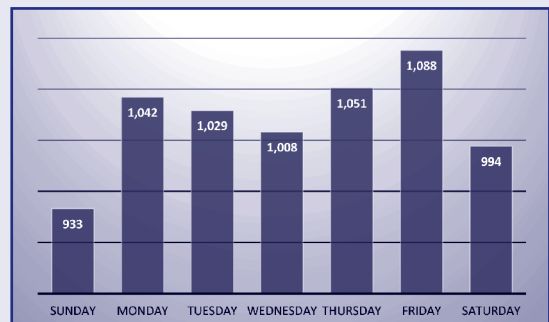

A QUICK LOOK BACK AT 2021 INDICATES JUST HOW BUSY WE WERE, AS WE SERVED OUR COMMUNITY.

As with all communities, the majority of runs have always been related to emergency medical care. The last two years have presented unique challenges with the COVID-19 pandemic which directly contributed to lower and/or higher run volumes.

December brought the most activity for both Fire and EMS responses. September activity was only nine runs lower than December. February had the least amount of activity.

Fridays seem to be the busiest day of the week, while Sunday required the least amount of responses.

Fire / EMS Excellence Awards

left to right:
Jackson Fire Captain Damon G., citizens Gilbert & Patricia, Jackson Firefighter John Terranova, and Jackson Firefighter Myron S

life saving measures were given. The patient was also found to be in a lethal heart rhythm, and was immediately successfully defibrillated. Shortly after, the patient began to breathe on her own, and was transported to a local hospital for continued care. This patient is alive and well today.

As we all know this is a special occasion and reason for joy. As EMS professionals we don't often see the results of our care; specifically cardiac arrest victims. Patricia, the cardiac arrest survivor, joined us at the Firefighter of the Year award event.

Firefighter of the Year

The *Firefighter of the Year* award is presented to an individual firefighter/paramedic who best exemplifies positive characteristics as a member of the Jackson Township Fire Department and who also has a notable record of service and achievements. Some attributes of *Firefighter of the Year* are ability to show great compassion, fast and sound decision-making skills and courage. We are honored to have presented this award to a very well deserving member of our department, B-Shift Firefighter John Terranova.

To outline a specific call that has risen above the rest, Firefighter Terranova is recognized for actions that took place on October 13, 2021.

He was on Medic 4 when they were called to The JOANN Fabric and Craft Store for a female with difficulty breathing. Upon arrival, the patient was found pulseless and lying unresponsive on the floor with agonal respirations. Immediate high quality CPR was performed and

Seeing the impact on those we care for that we make an effort on each day, is a true heart-warming reminder of why we do what we do.

Dave Demeo Fire Prevention Award

left to right: Fire Inspector Aaron Stoller, Fire Inspector Ralph DeChiara, and Jackson Fire Chief Tim Berczik

Fire Inspector Ralph DeChiara has been awarded The Dave Demeo Fire Prevention Award. Ralph has been a dedicated fire inspector here at the Jackson Township Fire Department since 2003, where he has established many great working relationships with business owners in our community. He is also very passionate about educating young children on

fire safety through the Jackson Township Safety Village program.

We are proud to have him as part of our team and part of our fire department family. Thank you Ralph, for all of your hard work and dedication to the Jackson Township community.

Community Partner Award

Health Commissioner Kirkland Norris, and Director of Environmental Health Paul DePasquale from the Stark County Health Department presented a plaque to Jackson Township and the Jackson Fire Department for their commitment during the pandemic.

Seasonal Safety Messages

Tornado Safety

As the severe weather season approaches, take some time during the *Spring Severe Weather Awareness Week*, March 20 through March 26, to put together a safety plan with your family, friends or household. Planning ahead will lower the chance of injury or death in the event that severe weather, such as a tornado, strikes.

Ensure that everyone knows the signs of a tornado, including a rotating, funnel-shaped cloud, an approaching cloud of debris, or a loud roar – similar to a freight train. Pay attention to the weather and to weather reports. Related severe thunderstorms can produce heavy rains, flash flooding and hail.

The National Weather Service confirmed that Ohio had 20 tornadoes in 2020. Seventeen of those tornadoes occurred during the April-May-June months. No injuries or fatalities were reported.

Know the difference between a Tornado Watch and a Tornado Warning.

- Tornado Watch means a tornado is possible. Stay tuned to your local radio station or television for weather updates. Know where you'll shelter, if necessary.
- Tornado Warning means a tornado is happening or imminent. Take shelter immediately.

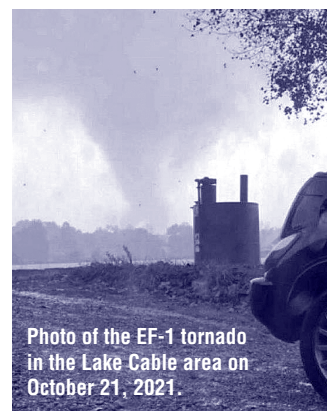

Photo of the EF-1 tornado in the Lake Cable area on October 21, 2021.

continued on page 5

Tornado Safety *continued*

Listen to NOAA Weather Radio or to your local radio or television stations for the latest weather and safety information. In any emergency, always listen to the instructions given by local emergency management officials.

Move to an underground shelter, basement or safe room. If none is available, a small, windowless interior room or hallway on the lowest level of a sturdy building is the safest alternative.

Take additional cover by shielding your head and neck with your arms and putting materials such as furniture and blankets around you.

A National Weather Service assessment identified that the tornadic activity which occurred on October 21, 2021 in Jackson Township was an EF-1 tornado. It developed around 5:10 p.m. and initially touched down near Jackson's North Park, damaged trees, recreational buildings and a large Township garage. As the tornado continued east, it damaged a business along Wales Avenue NW. The tornado continued into a neighborhood, producing intermittent tree damage all the way to Lake Cable. It crossed the lake and produced minor damage near Stark State College before dissipating near Interstate 77.

Flood Safety

Floods can happen everywhere, making them one of the country's most common natural disasters.

Flooding poses a greater threat in low-lying areas, near water and downstream from dams.

Even the smallest streams, creek beds or drains can overflow and create flooding. During periods of heavy rain or extended periods of steady rains, be aware of the possibility of a flood. Flash floods develop quickly—anywhere from a few minutes to a few hours. Listen to local weather reports for flooding information.

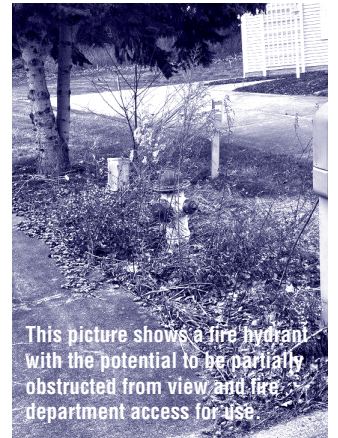

Photo of flooding that occurred in Jackson Township in June 2021.

Fire Hydrant Visibility

In order to provide efficient fire protection for you and your neighbors, the Jackson Township Fire Department rely on easily found and accessible fire hydrants for water supply. Quickly finding and accessing these hydrants in the event of an emergency is critical and can mean the difference between a little or a lot of property loss. When fire department personnel respond to put out a structure fire, the fire engines carry enough water to make an initial fire attack, but they soon need a continuous water supply from a fire hydrant to extinguish some fires. This is why finding and connecting to a fire hydrant is one of the firefighters' first priorities. GPS mapping technology on fire engines have enhanced firefighters' ability to locate hydrant locations more quickly, but getting to them when they are shrouded in shrubs, blocked by cars or covered in snow can be a challenge. This is where the public can help. Your assistance is needed in helping keep the hydrants clear of obstacles.

1. Keep at least 3 feet of clearance around the circumference of fire hydrants at all times.
2. The center of the largest opening must be at least 18 inches above the ground.
3. Keep it clear year round. Keep vehicles, grass, bushes, fencing, tree branches, weeds, snow and other obstacles away from the hydrant to allow for rapid location and easy access for firefighters.

This picture shows a fire hydrant with the potential to be partially obstructed from view and fire department access for use.

NEW FULL-TIME FIREFIGHTERS

left to right: Full-time Firefighters Leroy Yoder, Corey Korosa, Nicholas Wilson, Andrew Kendrick, and Kristopher Hendershot

Five new full-time firefighter/paramedics were added to the Jackson Township Fire Department. All of these members have been working part-time for the department, which will make for an easier transition into their full-time positions.

NEW PART-TIME FIREFIGHTERS

We welcome each of these new part-time firefighters as they start their careers protecting the Jackson Township community.

STUFF THE CRUISER

This past holiday season, the Jackson Township Police Department partnered with the Jackson Township Fire Department and several area businesses in an effort to provide Thanksgiving and Christmas meals for families in need.

On November 12, 2021, we conducted a Thanksgiving Stuff the Cruiser event at Fisher Foods. During this event, people shopping at Fisher Foods donated enough non-perishable foods to fill a cruiser three times and also provided cash donations to be used to purchase any items that were not provided through the food donations.

Through the donations for the Thanksgiving Stuff the Cruiser event, we were able to provide enough food to feed five families on Thanksgiving Day. In addition to a traditional Thanksgiving meal, each family also received enough groceries to provide a few more meals.

On December 4, 2021, we conducted a Christmas Stuff the Cruiser event at ACME Grocery Store. Once again, we received enough non-perishable food donations to fill two cruisers and an ambulance. We also received cash donations to be applied to assisting the families in need for meals and gifts for the children.

The Christmas Stuff the Cruiser event brought in enough food to feed seven families a traditional Christmas meal and left them with groceries for a few more meals. In addition to the meals, 18 children received a toy and clothing item from Walmart. We also had the opportunity to take 17 kids shopping at Walmart where each child received \$100 to purchase items they wanted and/or needed.

The Jackson Township Police and Fire Departments would like to thank everyone who donated to this worthy cause which really helped make the holiday season brighter for the families who received these generous gifts and for those who were able to help distribute the gifts to the families in need.

We also want to thank the following businesses who also donated to these events:

- Rohr's Nursery donated a live Christmas tree
- Fisher Foods donated the use of their store
- Wal Mart donated the use of their store, a toy and a clothing item for each child
- Lindsey's Pizza donated 10 certificates for a free large pizza
- Sam's Club donated \$150
- Cinemark Bistro donated the theater for a movie during the Shop with a Law Enforcement Officer event
- ACME donated their store, two full shopping carts of non-perishable items and seven turkeys
- North Canton Skate Center donated free skating gift certificates
- John Knox Church donated food
- Jackson Local School District donated a bus and driver for the Shop with a Law Enforcement Officer event

If we can be of any assistance, please contact the Jackson Township Police Department at www.jtpd.com or phone (330) 834-3960

**Thank you,
Chief Mark Brink**

CARDIO-PULMONARY RESUSCITATION (CPR) CLASSES

**WANT TO MAKE A DIFFERENCE?
WANT TO GET INVOLVED?**

Did you know that the Jackson Township Fire Department conducts CPR classes? All classes are in accordance with the American Heart Association Standards and are held at the Jackson Township Safety Center. The cost is \$40 per person. Whether you are a business looking to train your staff or a resident looking to learn the newest lifesaving standards, we can help.

Please contact the Jackson Township Fire Department at 330-834-3950 for details and registration.

PATROLMAN ERIC HAYNAM RETIRES

After 25 years of service to the community of Jackson Township, Officer Eric Haynam retired on February 28, 2022. Officer Haynam started with the Jackson Township police department as a part-time police officer on September 02, 1996 and was promoted to full-time officer on February 26, 1997. During his 25 years as a patrol officer with the Jackson Township Police Department, Eric also served as a K-9 handler, Swat Team operator and Field Training Officer.

Eric is known for his calm demeanor, easy going ways and a good sense of humor. He has repeatedly demonstrated the ability to de-escalate volatile situations which resulted in the most favorable outcome for all involved. Eric's dedication to his job and fellow officers is a testament to his work ethic and character. We wish him the best in his future endeavors.

Congratulations Officer Eric Haynam!

TWO FULL-TIME POLICE OFFICERS HIRED

The Jackson Township Police Department would like to introduce our most recent full-time hires. Officers Jun Yan and Kyle Trsnar both started in January of this year. Officer Yan comes to us from the Stark County Sheriff's Office where he worked as a patrol deputy for about two years. Officer Yan was born and raised in China. In 2009 he came to the United States and then in 2015, he joined the U.S. Army Reserve and naturalized. In 2016 Officer Yan began his law enforcement career as a correction officer in a private prison. After about one year, Officer Yan was offered a job as a corrections officer with the Stark County Sheriff's Office. In 2019, he was selected by the Sheriff's Office to attend the Ohio State Highway Patrol Academy where he earned his OPOTA certification and became a Deputy Sheriff who was then assigned to the patrol division. Officer Yan speaks Chinese Mandarin and enjoys focusing on community policing and public relations. In his off time, he enjoys hiking, bicycling, traveling, movies and PC games.

Officer Trsnar comes to us from The Carroll County Sheriff's Office where he has served for ten years. During his time in Carroll County, Officer Trsnar worked as a road deputy for a few years before being given the opportunity to work in the detective bureau. While in the detective bureau, Officer Trsnar investigated property crimes, sex crimes and narcotics. Officer Trsnar was then selected to work as a K9 handler for the Sheriff's office. He also served on the Canton Regional SWAT Cooperative as a Master Operator and has experience as a drone pilot as well. In addition to the professional experience and knowledge he brings to Jackson Township, Officer Trsnar is also involved in our community where he assists in coaching the Jackson High School wrestling team.

Officer Yan and Chief Brink

Officer Trsnar and Chief Brink

Congratulations Officers Yan and Trsnar and welcome to the Jackson Township Police Department!

Jackson Township Public Works Dept. - Highway Division

Rich Rohn
Public Works Director

SNOW AND ICE CONTROL

This season has been eventful within the Public Works Department. All three divisions (Central Maintenance, Highway and Parks) have worked hard at keeping the Township safe for not only the motorist with the amount of snow and ice that we have received, but they have also dealt with some unusual items over the past few months.

The Southeast corner of Township Hall was struck during an accident at the intersection of Mudbrook Street and SR241 (Wales Avenue) and a tornado touched down and did significant damage to the Highway garage and both North Park and Fisher Park just to name a few. However, the employees from all three divisions jumped into action and assisted with cleanup both within Township property, as well as some of the allotments in the line of this storm.

As it relates to the snow events we have gone through this season, the end of 2021 was pretty mild, but as the calendar turned the snow events increased. During the Martin Luther King Day weekend, the estimated two day snow fall resulted in a total of 13.6 inches of snow, which is the seventh largest two-day snowfall in the Canton/Akron Airport region's history.

We would like to thank all our drivers within each division for the work they put in during all of the snow events.

PROJECTS IN 2022

- The Township will be continuing to work with Stark County on the following projects this upcoming year:
 - Frank Avenue signalizations at the intersections of Frank Avenue/Eastlake and Frank Avenue/Strausser.
 - Continued work on Portage from Frank Avenue to just east of 77.
- The Townships joint project with the Ohio Department of Transportation should be wrapping up the completion of Phase I widening between Brunnerdale and Governors Avenue this spring.
- The Township Board of Trustees have approved the Highway Division to move forward with the Community Park Streetscape project which will replace all the existing light poles to match the light poles located on SR241 (Wales Road) and sections of Fulton Drive.
- The contracts for resurfacing, curb replacement & striping will be placed out for bid this spring. Below are the 2022 budgeted amounts for each project:
 - Resurfacing - \$1.5 million
 - Curbing - \$200,000
 - Striping - \$60,000

JACKSON TOWNSHIP NEWSLETTER
ADVERTISING POLICY/RATES

If you are looking for a great way to market your business, you should consider advertising in the Jackson Township Newsletter. The Township newsletter is published three to four times a year with a circulation of approximately 23,000 Jackson Township homes and businesses.

Business Card size:	\$150	One half (1/2) page:	\$500
One fourth (1/4) page:	\$250	Full page:	\$1,000

The Jackson Township Board of Trustees reserves the right to reject any advertisement for publication. Only retail ads will be accepted.

Please contact Mary Reno at 330-832-7416 for more information or visit our website at www.jacksontownship.com to download an application.

Jackson Township Zoning & Planning Department

Joni Poindexter
Zoning Inspector

It is important that all developers contact the following departments early in the stages of planning to ensure all requirements per department will be met.

THE FOLLOWING ARE A LIST OF CONTACTS FOR DEPARTMENTS:

Jackson Township Zoning Department

5735 Wales Avenue NW, Massillon,
330-832-8023

Responsible for reviewing site plans for compliance with zoning regulations and issuing zoning permits.

Stark County Building Department

7235 Whipple Avenue NW, Suite A,
North Canton, 330-451-1770

Responsible for administering the residential and commercial state building codes and issues permits accordingly. Administers the Flood Hazard Prevention Regulations.

Stark County Health Department

7235 Whipple Avenue NW,
North Canton, 330-493-9904

Administers the county health code and issues sewage treatment system, water well and plumbing permits.

This is a general outline of the steps and permits that might be needed when developing in the unincorporated areas of the county.

THE FOLLOWING IS REQUIRED WHEN PROPOSING TO BUILD A SINGLE FAMILY HOME.

With Sanitary Sewer

- Access Management Review
- Official House Number
- Sanitary Sewer Connection Permit
- Zoning Permit
- Building Permit
- Other Agencies as needed

IRT-1845G-A

Stark County Regional Planning Commission and Subdivision Engineer

201-3rd Street NE, Canton, 330-451-7389

Stark County Regional Planning Commission administers the Subdivision Regulations in the unincorporated areas of the county, including, subdivision plats, commercial and industrial and multi-family developments and divisions of property without plat "lot splits".

Stark County Subdivision Engineer reviews drainage and public roadway plans in accordance with Stark County Subdivision Regulations.

House Numbering

201-3rd Street NE, Canton 330-451-7843

Assigns house numbers and reserves street names for new developments.

Stark County Sanitary Engineer

1701 Mahoning Road NE, North Canton, 330-451-2303

Responsible for the county sewer system and issues sanitary sewer connection permits.

Stark County Soil and Water

2650 Richville Drive SE, Suite 100, Massillon, 330-830-7700

Administers the county's Storm Water Quality Regulations and monitors the Ohio EPA's NPDES permit.

Stark County Engineer

5165 Southway Street SW, Canton, 330-477-6781

Responsible for administering the Access Management Regulations.

START OF CONSTRUCTION

Upon the issuance of a zoning permit, you have one year to start construction and two years to substantially finish your project. For permits that require foundations please call the zoning investigator, Chad Cline (330-832-8023) for verification of the setbacks per the permit that was issued. By having the setbacks confirmed prior to finishing the project, this ensures the structure complies with the issued permit. Property lines should be marked to help with setback verification.

Parks and Recreation Division - 2021 A Year in Review

David R. Ruwadi
Parks & Recreation
Superintendent

SUMMARY OF ACTIVITY

The Jackson Township Parks hosted many events last year and we are very happy to say these events were very well attended. An estimated 80,000 children and adults attended special events and recreation programs offered through the Jackson Township Parks. An estimated 25,000 children and adults visited the parks through youth sports programs, schools, churches and organizations for a total estimated visitor count of 105,000. These events and programs could not have happened without the help of the many volunteers and sponsors from the community, and we would like to thank you.

Although we experienced a destructive Tornado in October 2021, we have worked with our insurance company and the repairs and some upgrades have already been completed. The Gazebo located on the deck at the pond has received a new shake shingle roof and the softball / baseball fields are being rebuilt.

Projects that were completed to improve the park system:

North Park & Fisher Park:

- ✓ Ice Rink purchased and installed in the Amphitheater parking lot
- ✓ New playground purchased for Fisher Park

2022 Projects for the Parks Division

The park division will be busy in 2022 working on a few projects:

- North Park parking lots
- Athletic dugout upgrades
- Kirk Schuring Park planning /construction
- Pickleball courts
- Tennis court upgrades

JACKSON PARKS AND PARK HOURS

We are now operating on our spring and summer hours. The North Park is open from 6:00 a.m. to 10:00 p.m., through the month of November. South Park, Joseph E. Fisher Park, Edward and Mary Zink Park, Crystal Springs Bridge Park, Stuhldreher Street Fields, and Strausser Elementary Park are open one-half hour before sunrise to one-half hour after sunset.

REMEMBER TO CONTROL YOUR PET WITH A LEASH & CLEAN UP AFTER YOUR PET.

Pets are permitted in all parks **EXCEPT** the North Park.

JACKSON TOWNSHIP PARK FACILITIES CONSIST OF 8 PARKS AND APPROXIMATELY 282 ACRES

North Park: This is a beautiful 70-acre complex located at 7660 Fulton Road N.W. (across from Jackson High School). North Park features a picnic pavilion, restrooms, fully accessible playground, 1.1 mile paved walking track, seven athletic fields used for baseball, softball, soccer and lacrosse, a multi-use track used for skating and bicycling, six tennis courts, four basketball courts and two sand volleyball courts. There is also a stocked, 1½-acre fishing pond with a boardwalk and gazebo. Pets are prohibited at the North Park.

South Park: Located at 4811 South Park Drive N.W. (next to Jackson High School). South Park includes the Jackson Bog State Nature Preserve. There are two miles of hiking trails that are accessible to the public. Trails leading through the State Nature Preserve offer a rare look into the pristine habitats of hundreds of plants that have survived the ice age. In addition to the diverse plant and wildlife environment, this 95-acre complex offers two picnic pavilions and restrooms, a playground, a sand volleyball court, horseshoe pit, seven ball fields, four soccer fields, two midget football fields, six flag football fields and a concession stand. The South Park is also the home of the park maintenance facility.

Joseph E. Fisher Park: Established in 1989, this park is located at 5819 Lake O'Springs Avenue. The park has increased in size from 9 acres to 27 acres thanks to the generosity of East Ohio Gas in 1997. There are four soccer fields, five ball fields, a playground, a picnic pavilion and restrooms located on the property.

Crystal Springs Bridge Park: The Bridge across the Tuscarawas River at this site was destroyed by the 1913 flood. A temporary swinging

bridge forced the Crystal Springs residents to cross the river at great risk. In 1914 a new bridge was erected with a wooden floor that was replaced by iron grid in the 1940's. In 1995 when the Stark County Commissioners vacated this bridge, the Jackson Township Historical Society intervened to save it, and as a result the Jackson Township Trustees assumed responsibility for this bridge. In 1996 the bridge and road easement were formally dedicated as the Crystal Springs Bridge Park. Visitors can also enjoy a scenic hike or casual bicycle ride along the historic Ohio & Erie Canal Towpath.

Edward and Mary Zink Park: Located at the intersection of 38th and Michael Street, this 3/4-acre mini-park was donated to the Township in 1998 to encourage beautification projects.

Stuhldreher Street Fields: Stuhldreher Street Fields, which consist of approximately 11 acres, are located at Stuhldreher Street near the intersection of Perry Drive and Hills & Dales Road. Acquired in 1998, this Jackson Park offers two large soccer fields with adjacent parking.

Strausser Elementary Park: This Park was acquired through a land lease with the Jackson Local Schools Board of Education. The park consists of three small soccer fields and two full size multipurpose fields for lacrosse or football.

Kirk Schuring Park: The township has ownership of 40 acres located at the former Hills and Dales golf course which will be used for active recreation. The property is being designed for a Sports complex, and will provide direct linkage to Stark Parks and a retail area.

PROGRAM INFORMATION AND REGISTRATION INFORMATION

All program registration forms and program flyers can be obtained at the Jackson Township Administration Building and on our website at www.jacksontwp.com. For your convenience, registration forms can be dropped off after hours at our Evening Drop Off box, located next to the main entrance at the Jackson Township Administration Building.

PARKS AND RECREATION PROGRAMMING

In addition to offering facilities for both organized sports leagues and the general public, Jackson Township Parks host special events such as:

EASTER EGG HUNT: Look for the Easter Bunny to make his appearance for the Annual Community Easter Egg Hunt on Saturday, April 9, 2022 at 11:00 a.m. sharp in the Jackson North Park. Age groups range from crawlers through fourth grade. Participants should plan to arrive by 10:30 a.m. with their own Easter baskets.

JACKSON PARKS FISHING DAY: Mark Saturday, May 28, 2022 on your calendars for the Jackson Parks Fishing Day. The fishing day will be held from 8:00 a.m. to 10:00 a.m. at the Jackson North Park pond, rain or shine. Check-in will begin at 7:30 a.m. Ages 15 and under are invited to participate in this fun and exciting event. Children should bring their own poles and bait and try to catch one of the many fish stocked especially for this event. There will be special

events held throughout the day that the children can participate in. All children must be accompanied by an adult at all times. After 10:00 a.m. adults can try their luck at fishing.

This is a free event, but registration is required. All registration forms must be received no later than 4:00 pm on Friday, May 20, 2022. The registration forms may be obtained at the Jackson Township Administration Building and on our website, www.jacksontwp.com.

MOVIE IN THE PARK SERIES: Get ready for two free summer movies in the Jackson North Park Amphitheater. The amphitheater doors will open at 6:00 pm and the movies will start at 7:30 pm.

May 27 – Sing 2

August 12 – Encanto

Stay tuned to www.jacksontwp.com and the Township's Facebook page for more details.

CREATIVE MOVEMENT: Enjoy the summer with your preschooler at the amphitheater! Join Barb Craven, owner of Craven Dance Studio, as she leads Creative Movement at the Jackson North Park Amphitheater. The classes will be held on Wednesdays, July 20, 27, and August 3, 10. All sessions will begin at 12:00 p.m. and will be approximately one hour in length. Children will enjoy exercising, singing and creative movement through music. This is a free program open for boys and girls ages 3 to 5 years old. Bring your dancing shoes!

FACILITY RESERVATION INFORMATION

Now that spring/summer is just around the corner, the parks will become very active with spring/summer sports and events that will **require a permit**. Applying for a permit to use one of our facilities will insure it will be ready for your use.

To reserve a pavilion, athletic field, or tennis court please call the Park Division at 330-832-2845 to inquire about availability before submitting your on-line application.

Applications can be found on our web page at www.jacksontownship.com and can be submitted electronically. Forms are also available at the Jackson Township Administration Building. Office hours are 8:00 a.m. to 4:30 p.m., Monday through Friday.

Permits for pavilions or fields MUST be picked up one week prior to the event.

For information on our rules and regulations and general park information visit us at www.jacksontownship.com.

Jackson Township Historical Society News

In the upcoming months guests will have many opportunities to visit Jackson Center School, home of the Jackson Township Historical Society (7756 Fulton Drive, next to Jackson High School).

Monthly rotating displays and programs for all ages will allow visitors to see the variety of the historical society's collection. The McGuffey Kids Club programs are open to all students in grades K-12 for fun activities and refreshments. There are leadership and volunteer opportunities available for anyone who would like to help.

The JTHS would like to congratulate the new the Board of Directors: Donnie Childress, Kim Demor, Judi Malinowski, Don Montgomery, and Jim Wertz. With their vision for the future, more great opportunities for growth, preservation and community involvement are ahead.

Upcoming displays include the following: Churches, 2002 Tornado, and Ohio and Erie Canal. Programs such as Grandma's Button Box, Identifying Archival Materials and the Feline Historical Society will surely pique the interest of many visitors.

Follow JTHS and the Kids Club on Facebook @jacksontwphistory and Facebook@McGuffeyJTHS; visit the website jacksontwphistory.org or contact JTHS via email Jackson.historical@gmail.com or McGuffeyJTHS@gmail.com

June 28	7 p.m.	Program: TBA <i>(watch Facebook)</i> , followed by a membership meeting.

YARD DEBRIS WASTE SITE KEY CARD

RESIDENTS ONLY

The yard debris waste site is closed for the season and will reopen again in the spring.

KEY CARD REGISTRATION

If you have **not** obtained your key card to enter the yard debris waste site, you can do so at www.jacksontwp.com and click on the "Yard Waste Site Information" icon on the right side of your screen. Please review the updated information regarding the site and follow the onscreen instructions to register. A credit card and email address are required to complete the on-line registration. If you do not want to register online or don't have a computer, you can register in person at the Jackson Township Administration Building. Only one card per household will be issued.

Once you have successfully registered, your key card will need to be picked up in-person at the Jackson Township Administration Building between 8 a.m. and 4:30 p.m., Monday through Friday.

CARD RENEWAL PROCESS

If you **already** have a key card, please note the expiration date on your card. If you registered online using a credit card, it will automatically renew on the expiration date. If you registered in-person at township hall and paid with cash, you will need to come in to renew your card either on or before your renewal date. You may also call into the office and switch to credit card payments, if you wish at that time, as well. Please do not register online again at the time of your renewal. This is an automatic process.

AMERICAN FLAG RETIREMENT BOX

Jackson Township resident Joe Richmond, and a member of Boy Scout Troop 2050 in Alliance, constructed a American Flag Retirement Box to complete his Eagle Scout project. Joe presented the retirement box to the Jackson Township Trustees in November of 2021.

This retirement box can be found in the lobby area of Jackson Township Administrative Offices. Residents now have a place to bring their worn-out and distressed flags for proper retirement.

Thank you Joe for this beautiful American Flag retirement box.

STARK SOIL & WATER CONSERVATION DISTRICT

Stark SWCD is offering two winter programs that are available to anyone that would be interested.

COMPOSTING & RAIN BARRELS

Have you ever wanted to learn how to compost or set up a rain barrel? Join us to learn more about incorporating these conservation practices to enhance the sustainability of your backyard.

JACKSON AMPHITHEATER & ICE RINK

JACKSON AMPHITHEATER

With the inaugural season under our belts, we are actively planning for the 2022 season! We plan to kick-off the season in June with free Wednesday concerts and ticketed Saturday concerts.

This year Wednesdays will be a full day of activities. We are planning an array of adult exercise programming and youth programs. The food trucks will be back for your dining pleasure and you can visit the Farmers Market before attending the free concerts.

Stay tuned to Jackson Amphitheater Facebook page and www.jacksonamphitheater.com for more information on concerts and programming activities.

ICE RINK AT NORTH PARK

If you have not made a trip out to the North Park ice rink you still have some time. Come and check out the awesome 80 ft. x 100 ft. synthetic ice rink. The ice rink is open until March 31 from 8 am - 8 pm and admission is free! You can bring your own hockey or figure skates and skate anytime the rink is open. If you need skates, there are free skate rentals available from 4 pm - 8 pm on Thursdays & Fridays, noon - 8 pm on Saturdays and noon - 5 pm on Sundays.

JACKSON TOWNSHIP COMMUNITY

Celebration Sponsorships

SPONSORSHIP PACKAGES AVAILABLE

Fireworks (2) - \$10,000	Inflatables (3) - \$750
Amphitheater (3) - \$5,000	Grand Patron - \$500

Entertainment (10) - \$1,000	Supporting Patron - \$100

*Consider being a sponsor for the
2022 Jackson Community Celebration
which will be held
June 22 through June 25, 2022.*

*These packages are a great way to
promote your business.*

*For additional information, please contact
Jackson Township Parks at (330) 832-2845.*

Public Education

PIPE COMMITTEE

*Jackson Township is a member of the
Stark County Public Involvement
and Public Education "PIPE" Committee*

The PIPE Committee coordinates the yearly theme that is used for public involvement/participation of stormwater management through educational programs for residents and school age children.

2022 THEME

"DO YOUR PART, BE SEPTIC SMART"

If you are a homeowner with a septic system, you are responsible for it. If properly constructed and maintained, your septic system can provide long-term, effective treatment of household wastewater. If it's not maintained, replacement could cost you thousands of dollars. A malfunctioning system can contaminate groundwater that might be a source of drinking water.

Don't Litter, it's the law!
And remember "ONLY RAIN DOWN THE DRAIN".

*Look for stormwater educational information on our
website www.jacksontwp.com.*

SAVE *the* DATE

**Wednesday, June 22nd
through
Saturday, June 25th**

Make plans to join us in June to
celebrate the Jackson Township
Community during the
Jackson Township Community
Celebration at the Jackson North Park
Amphitheater parking lot.

**ENJOY FUN, FOOD
& FIREWORKS!**

Sign Up For Alerts & Advisories with "NIXLE"

By registering at <http://www.nixle.com>, you get Jackson Township alerts and advisories. These alerts are advisories of areas to avoid due to crashes, construction, high water, snow emergency/snow parking bans, and missing persons. These are just a few examples of many messages you may receive regarding your community.

JACKSON TOWNSHIP MISSION STATEMENT

It is the mission of Jackson Township local government to provide for and promote the general health, safety, and welfare of Township residents and businesses by:

- delivering service in a professional, impartial, and cost-effective manner;
- planning for the long-range development and improvement of the township; and
- being responsive to the individual needs of the township residents and businesses with an awareness of the community's collective needs.

The Jackson Township FARMERS MARKET

This year the Jackson Farmers Market will be moving to **Wednesdays starting July 6 through September 28, 2022.**
The new hours of the market are **3 p.m. to 7 p.m.**

The market location will be in the north end of Jackson Amphitheater/Tennis Court parking lot along Community Parkway.

The Farmers Market is a way to bring residents together and provides an opportunity for local producers to sell fresh and healthy foods.

Jackson Township is actively seeking high-quality vendors to join our market.

If you are interested in participating as a vendor, please call Chylece Head or Courtney Barson at 330-832-7416 or send an email to: chead@jacksontwp.com or cbarson@jacksontwp.com.

Stay tuned to the June issue of the newsletter for more information on the farmers market and about the Wednesdays events that will be happening.

THE 2022 JACKSON TOWNSHIP SAFETY VILLAGE

The 2022 Jackson Township Safety Village will be held from June 13 through June 16, 2022 at Sauder Elementary School located at 7503 Mudbrook Street NW.

Children that reside in Jackson Township and have **completed Kindergarten or First Grade during the 2021 – 2022 school year** are eligible to attend.

The hours of Safety Village are from 8:45 a.m. until noon daily.

Fire & Police lessons include: Bicycle & Pedestrian Safety, Stranger Danger, Internet Safety, Calling 911, Fire Prevention, Two Ways Out, and Crawling under Smoke.

Additional lessons taught throughout the week include: Poison & Drug Safety, Bus & Railroad Safety, and Water Safety/Weather Safety.

The lessons are a combination of classroom and hands-on, giving the children an opportunity to see fire and police equipment up-close and to ask questions. If you are interested in enrolling your child, information/registration forms are available at the Jackson Township Safety Center located at 7383 Fulton Drive NW.

Forms may be picked up beginning Monday, April 4, 2022 and returned by Friday, May 27, 2022. (Sorry, no forms will be mailed.)

The cost for Safety Village is \$20.00 per child, and it is limited to 150 children.

Jackson Safety Village is a cooperative effort between the Jackson Township Fire & Police Departments and the Jackson Local Schools.

NEW ADMINISTRATION DEPT. PERSONNEL

The Administration Department welcomes Courtney Barson as our new Receptionist/Secretary. Courtney looks forward to assisting the public and making things happen in the Jackson community. Courtney and her husband are the proud parents of two daughters, Aubrey and Sadie and also a golden retriever. Courtney enjoys camping and boating during the summer months with her family.

We are glad to have Courtney as part of our Administration Dept. Team!

911 HOUSE NUMBERING

Seconds count in emergencies. To aid safety personnel in finding your home, residents are encouraged to purchase a 911 House Numbering Sign made of blue metal background and large white reflective numbers. Signs are \$15 for pickup at Station 2, or \$20 to be shipped anywhere in the continental United States, with proceeds benefiting the Jackson Township Safety Forces Associations. On-line registration is available under the Fire Department section at jacksontwp.com or send this form to:

JACKSON TOWNSHIP STATION 2
8500 Traphagen St. NW, Massillon, OH 44646
