

There are two different Township taxing authorities listed on the real estate tax bills sent to Jackson Township property owners. There is a “Jackson Township” and “Jackson Township **Exc(luding)** Hills and Dales”. The “Jackson Township” accounts for the General Fund (non-voted inside millage) and levies for Parks & Recreation, Fire – E.M.S., and Road – Bridge. The “Jackson Township **Exc(luding)** Hills and Dales” accounts for the road & bridge fund (non-voted inside millage) and Police levy because the Village of Hills and Dales does not pay into our road & bridge fund or our policy levy; they are **excluded**.
